SPECIAL EVENTS AND PARTIES

AT CABBAGE KEY

CabbageKey.com

From sunset cocktails under the palms to festive celebrations with family and friends, we'll help you create memories that will last a lifetime.

One hundred acres of tropical vegetation surround our historic restaurant, inn and rental cottages. A panoramic view of Pine Island Sound is provided from the front porch of our open-air restaurant situated atop a thirty-eight foot Indian shell mound.

There are no cars here, not even a paved road. You will find winding nature trails, picturesque views, and great food and drinks.

Cabbage Key has maintained that natural "Old Florida" feeling, preserving a piece of island paradise!
